Engine	Mercury Verado 250 л.с.		

Regulations UNI ISO 8666

The levels of performance described apply to a standard craft (with standard equipment installed) with clean hull, propeller and rudders. Moreover, it is specified that such levels of performance were achieved under favourable sea and wind conditions (1 on the Beaufort scale and 1 on the Douglas scale); in the case of diverse or less favourable sea conditions performance levels may vary considerably.

EC Approved

Azimut reserves the right to modify the specification and characteristics of its vessels at any time.

Standard specification

- Указатель трим – системы
- Тахометр – мультиприбор
- Спидометр – мультиприбор
